05.25.09 Minutes

The minutes of the meeting held on 10th March 2025 had been circulated, were checked for accuracy and content and agreed as a true record of the meeting and signed by the Chair.

05.25.10 Village Matters (only items in bold to be covered in meeting)

Cllr Hedges expressed a wish to be present for the Puy du Fou discussions. It was explained to him that this was not possible due to his interests in the proposal. Cllr Hedges refused to leave the meeting when asked, leading to a

robust discussion with other members of the parish council over a need to respect the proper protocol for handling conflicts of interest. In order to diffuse the situation, the parish council agreed to move the Puy du Fou agenda item to the end of the meeting, with Cllr Hedges agreeing to leave the meeting at this point. Additionally, Cllr Hedges expressed disappointment in the parish council and accused the PC of employing 'bullying tactics' towards him in relation to Puy du Fou, which the parish council did not agree with. He also stated that he felt that the PC were not concentrating on other important matters in the village. The Chair invited Cllr Hedges to raise a formal complaint of bullying against the PC, which Cllr Hedges declined, and sought to reassure Cllr Hedges that the parish council's opposition (on behalf of the parish) to Puy du Fou's plans was not personal.

- a. **Puy du Fou** – The NO to PDF website is still live but has been inactive since last summer; it will be resurrected and work in conjunction with NORA. There is a meeting with PDF tomorrow which Cllr Wells and James Alcock are attending. PDF are holding similar meetings with other villages.
- b. **Thames Water and village flood water** - Cllr Hedges spoke of the capacity on Bicester Road from 2 points, one from the pond and one from Manor View which has been changed from an 18" stone culvert to a smaller pipe which causes flooding. Cllr Woodrow suggested that he and Cllr Read meet with Cllr Hedges for him to brief the new councillors on the problem. **Cllr Conway Murray to discuss flooding issues with Tony Brammell (CDC) and her contact at OCC.**
- c. **Ardley Incinerator** – Minutes of the last meeting had been circulated. Cllr Hedges added that he had spent a lot of his own money in the past fighting the building of the incinerator to no avail.
- d. **Valencia – Ardley Landfill – Cllr Hedges will ask his contact to come and meet the village to explain the sewage which is being discharged.**
- e. **Traffic Calming** – Cllr Hedges has been involved in traffic calming for many years and suggested that the PC should consider road closures and a bypass around Bucknell and additional traffic mitigation schemes from the developer. Cllr Conway Murray explained the S106 process and thought it likely that any road schemes would be per development and would therefore would be a staged process. Letters have been sent to OCC Highways re closing roads and installing ANPR thereby providing restricted access. Those letters to be sent to **Cllr Conway Murray to chase - Action Cllr Wells**
- f. **Hawkwell Village - To receive reports from councillors with updates**
- g. **Cherwell District Plan 2040**
